Who are Rolec?

Rolec Services has been a world-leading specialist in the design, manufacture, installation and supply of an extensive range of outdoor electrical equipment for three decades.

Our products include electrical connection, electric vehicle charging, hook-up and distribution equipment. The company presently employs approximately 140 personnel in its bespoke, purpose-built office, showroom, warehouse and factory complex – in addition to having a distribution network of representatives in over 40 countries.

Rolec remains committed to a programme of continuous development, investment and innovation to ensure the provision of high quality and reliable products at competitive prices.

Rolec Services consists of three unique divisions, each focusing on a particular sector:

ROLEC *EV Charging*

Manufacturers of the UK's largest range of smart AC and DC rapid chargers, suitable for all locations.

ROLEC *Marina Services*

Global specialists in providing marina services across the most iconic marinas and waterside locations.

ROLEC *Caravan Hook-Ups*

Leading experts in electrical hook-up and utility for caravan parks and holiday homes across the UK.

We are seeking a Contractor Relations and Training Manager

To work in our electric vehicle charging sales office

Candidates will be required to gain and maintain relationships with contractors working in the electric vehicle charging industry. They will be required to promote our products and services to the contractors as well as train the contractors to gain a clear understanding of how to pitch our products and services to their potential clients, as well as gain an understanding of the physical installation and operation of our products.

This role revolves around good communication and sales presentation skills coupled with a good understanding of our product range, for which training will be provided.

After training, candidates will be expected to maintain and develop a customer base, interact with prospects via calls, online meetings, on media platforms, attend occasional on site meetings, trade exhibitions and client events.

Electrical knowledge and experience would be a distinct advantage.
