ROLEC

The UK's largest range of outdoor electrical equipment

Who are Rolec?

Rolec Services has been a world-leading specialist in the design, manufacture, installation and supply of an extensive range of outdoor electrical equipment for three decades.

Our products include electrical connection, electric vehicle charging, hook-up and distribution equipment. The company presently employs approximately 140 personnel in its bespoke, purpose-built office, showroom, warehouse and factory complex – in addition to having a distribution network of representatives in over 40 countries.

Rolec remains committed to a programme of continuous development, investment and innovation to ensure the provision of high quality and reliable products at competitive prices.

Rolec Services consists of three unique divisions, each focusing on a particular sector:

ROLEC EV Charging

Manufacturers of the UK's largest range of smart AC and DC rapid chargers, suitable for all locations.

ROLEC Marina Services

Global specialists in providing marina services across the most iconic marinas and waterside locations.

ROLEC Caravan Hook-Ups

Leading experts in electrical hook-up and utility for caravan parks and holiday homes across the UK.

We are seeking candidates for our Business Development Team

Working in our electric vehicle charging sales office

Candidates will be required to identify potential sales opportunities, follow up sales leads, pitch goods or services to new clients and maintain a good working relationship with new contacts.

This role revolves around good communication and sales presentation skills coupled with a good understanding of our product range, for which training will be provided.

After training, candidates will be expected to maintain and develop a customer base, interact with prospects via calls, online meetings, on media platforms, attend on site meetings, occasional trade exhibitions and client events.
